

**Neil Bell** is Community Horticulturist for the Oregon State University Extension Service in Marion County and Polk County. Since 2000 he has overseen the OSU Master Gardener programs in both counties. Together with Heather Stoven, he also oversees the Northwest Plant Evaluation program, which began in 1999 with a Hebe evaluation. He lives with his wife Bernadine on 5 acres of Polk County bush west of Monmouth, where they continue to learn how to garden with wildlife, plentiful weeds and limited water.
